(PDF) A TALE OF HUMAN RIGHTS IN INDIA - ResearchGate

International law has been badly discredited of late; and it has been discredited quite as much by its friends as by its enemies. The attempts to base international rights on mere abstractions, on vague appeals to the Law of Nature and the rights of mankind, are bound to awaken distrust, and even derision.

The Rights of States under International Law

International law is divided into conflict of laws (or private international law) and public international law (usually just termed as international law). The former deals with those cases in which foreign elements obtrude, raising questions as to the application of foreign law or the role of foreign courts.

Aini Aryani, LLB (Hons): IS INTERNATIONAL LAW A TRUE LAW?

the like), international financial instruments, foreign exchange markets, balance of payments and international risk management. All the above parts of international finance are covered in this book and I deem that readers will appreciate my efforts. I am indebted to my wife Mrs. Veena O.
