Because knowledge from books is gained from what people see and hear from the real life, anyway, it is motionless knowledge and you get it in a passive way. In contrast, the knowledge from experience requires you to go much, practice much and think much, such effort creates real knowledge, and you can gain it actively.

[Essay] Compare and contrast knowledge gained from ...

As you can see, there are no books about self-knowledge or self-awareness on this list. The best way to develop self-knowledge is to look inwardly. Do that enough, and you'll know yourself ...
